GOLF UP offers modern and large training facilities, including a 273-yard driving range with 45 bays, 2 putting greens, 1 chipping green with a bunker, 3 training rooms equipped with the latest technology Trackman, and a challenging 9-hole golf course.

Because of its partnerships with 6 outstanding golf clubs, you also can enjoy a unique golfing trip to some of the Provence's best 18-hole courses. Those are located between 5min and 1h30 driving from your 4-star accommodation «LE CLOS DES OLIVIERS****».

Play like a pro

In december 2019, GOLF UP installed 30 TOPTRACER RANGE systems at its range, becoming the only facility in the South-Est of France to be equipped with this technology.
